December 2012 is a milestone at Blackmans Bay Childrens Services. Bev Gibson is retiring after 23 years.

During this period Bev has led our Outside School Hours Programs with passion and enthusiasm!

Her genuine care for children and families has made OSHC a second home that is highly valued. Her leadership has been valued by her colleagues and the wider child care sector. Bev's worked tirelessly on the National Scene establishing Licensing Standards for OSHC. Her passion for school aged programs resulted in her teaching at TAFE and provision of mentoring services for other programs.

Bev has always made sure that OSHC was included on all agendas and is regarded as an icon in the industry.

We thank her for everything she has done at Blackmans Bay Childrens Services, wish her all the best in her new life and say "we will miss you!!!"
